ORDER

Whereas Sports is a national priority and a public good, and sports development is a public function. These functions encompass critical responsibilities such as the selection of Indian national teams and the representation of the country in international sporting events. Extant government guidelines and the applicable laws emphasize that while a National Sports Federation (NSF) has autonomy in the actual conduct of sports, Government recognition is necessary to avail the financial and other forms of support. NSFs are required to follow proper, democratic and healthy management practices, which provide for greater accountability and transparency for its efficient functioning, in particular, election of office bearers, truly representative character of the General Body, protection of the interest of players, promotion of the Game.

2. Whereas Mallakhamb is an indigenous sport and is being practiced in India since ancient times. The recognition of MFI was withdrawn by this Ministry vide letter dated 02.09.2022.

3. Whereas presently two factions under the name and title "Mallakhamb Federation of India" are claiming to be governing body for the Sport of Mallakhamb.

4. Whereas Mallakhamb is an indigenous sport of immense importance and the Government grants have also been sanctioned for infrastructure development, equipment support, appointment of coaches, training of coaches and scholarships for the promotion and development of indigenous game of Mallakhamb in the country. Persistent internal disputes and systemic

factionalism have created a climate of uncertainty, leaving athletes of the sport of Mallakhamb without clear guidance on which sports association/federation possesses the authority to sanction Mallakhamb events. This ongoing instability jeopardizes the Indian athletes' participation at national and international competitions, thereby compromising the professional prospects of both current and aspiring athletes.

5. Whereas, in consideration of the prevailing circumstances, characterised by this factionalism, administrative vacuum within the sport of Mallakhamb and in an unwavering commitment to ensure the uninterrupted development of the sport, a need has been felt to establish an *interim* mechanism to oversee and govern the affairs of the sport of Mallakhamb. This interim measure is indispensable to safeguard the preparation and progression of athletes within the Mallakhamb discipline. Without an immediate *interim* governance mechanism, their preparation for upcoming national and international competitions will face irreparable impediments.

6. Therefore, in the exercise of the powers under the Sports Code, the Ministry appoints *Ad-Hoc* Committee, comprising the following:

- (i) Shri Yogesh Malviya, Dronacharya awardee (Mallakhamb)
- (ii) Shri Satyajit Sankrit, Retd Dy. Director General, Sports Authority of India

7. The *Ad-hoc* Committee for the sport of Mallakhamb is entrusted with the following responsibilities: -

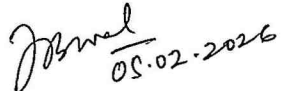

- (i) *to manage the affairs of Sport of Mallakhamb, including the selection of athletes and making of entries for the participation of sportspersons in international events*
- (ii) *to revise constitution of Mallakhamb Federation of India in line with the National Sports Governance Act 2025 and the Rules framed thereunder and take steps for conduct of fresh elections in terms of the revised constitution.*

8. The term of the Ad hoc Committee, Mallakhamb will be for a period of three months or till an elected Executive Committee takes charge, whichever is earlier.

9. Secretarial assistance to *Ad-hoc* Committee will be provided by Sports Authority of India.

This issues with the approval of Competent Authority.
